

CURR. Biotechnologies for food science

Communication skills (Clark Caroline):
 The lectures will begin on day January 08
 -January, 08 h. 09.00-13.00 Room 5CG
 -January, 10 h. 09.00-13.00 Room 5CG
 -January, 15 h. 09.00-13.00 Room 5CG
 -January, 19 h. 09.00-13.00 Room 5CG

<u>I year</u>	<u>Room 12P</u>	<u>BFS</u>	<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
9-10	Food microbiology and food microbial biotechnology	Applied bioinformatics (Aula 24P)					Food microbiology and food microbial biotechnology
	Basaglia Marina/Piccirillo Alessandra	Negrisol Enrico/Taccioli Cristian					Basaglia Marina/Piccirillo Alessandra
10-11	Food microbiology and food microbial biotechnology	Applied bioinformatics (Aula 24P)					Food microbiology and food microbial biotechnology
	Basaglia Marina/Piccirillo Alessandra	Negrisol Enrico/Taccioli Cristian					Basaglia Marina/Piccirillo Alessandra
11-12	Applied bioinformatics (Aula 24P)	Applied genomics for animal and crop improvement (Aula 20P)					Applied bioinformatics (Aula 24P)
	Negrisol Enrico/Taccioli Cristian	Carnier Paolo					Negrisol Enrico/Taccioli Cristian
12-13	Applied bioinformatics (Aula 24P)	Applied genomics for animal and crop improvement (Aula 20P)					Applied bioinformatics (Aula 24P)
	Negrisol Enrico/Taccioli Cristian	Carnier Paolo					Negrisol Enrico/Taccioli Cristian
13-14						Applied genomics for animal and crop improvement	
						Barcaccia Gianni	
14-15	Applied genomics for animal and crop improvement (Room 1CG)				Food microbiology and food microbial biotechnology	Applied genomics for animal and crop improvement	Molecular basis of disease, immunology, and transmissible diseases
	Barcaccia Gianni				Basaglia Marina/Piccirillo Alessandra	Barcaccia Gianni	Mammucari Cristina/Frangipane Antonio
15-16	Applied genomics for animal and crop improvement (Room 1CG)				Food microbiology and food microbial biotechnology	Molecular basis of disease, immunology, and transmissible diseases	Molecular basis of disease, immunology, and transmissible diseases
	Barcaccia Gianni				Basaglia Marina/Piccirillo Alessandra	Mammucari Cristina/Frangipane Antonio	Mammucari Cristina/Frangipane Antonio
16-17					Applied bioinformatics (Aula 24P)	Molecular basis of disease, immunology, and transmissible diseases	
					Negrisol Enrico/Taccioli Cristian	Mammucari Cristina/Frangipane Antonio	
17-18					Applied bioinformatics (Aula 24P)	Molecular basis of disease, immunology, and transmissible diseases	
					Negrisol Enrico/Taccioli Cristian	Mammucari Cristina/Frangipane Antonio	

CURR. Biotechnologies for food science

Food toxicology and food regulation (prof. Maria Stella Righettini):

- 18 December, h. 14.00-18.00;

- 21 December, h. 15.00-19.00;

- 8 January, h. 14.00-18.00;

- 11 January, h. 15.00-19.00.

<u>Il year</u>	<u>Room</u>	Saletta Riunioni	BFS		
	Monday	Tuesday	Wednesday	Thursday	Friday
9-10		Advanced technologies for the agrifood sector	Biotechnology in plant protection	Biotechnology in plant protection	
		Vianello Fabio/Carletti Paolo	Sella Luca/ Mori Nicola	Sella Luca/ Mori Nicola	
10-11		Advanced technologies for the agrifood sector	Biotechnology in plant protection	Biotechnology in plant protection	
		Vianello Fabio/Carletti Paolo	Sella Luca/ Mori Nicola	Sella Luca/ Mori Nicola	
11-12	Advanced technologies for the agrifood sector	Biotechnology in plant protection	Food toxicology and food regulation (The lectures will begin on day december, 07)	Biotechnology in plant protection	
	Vianello Fabio/Carletti Paolo	Sella Luca/ Mori Nicola	Giantin Mery	Sella Luca/ Mori Nicola	
12-13	Advanced technologies for the agrifood sector	Biotechnology in plant protection	Food toxicology and food regulation (The lectures will begin on day december, 07)		
	Vianello Fabio/Carletti Paolo	Sella Luca/ Mori Nicola	Giantin Mery		
13-14					
14-15	Food toxicology and food regulation	Food toxicology and food regulation		Food toxicology and food regulation	
	Dacasto Mauro/Righettini Maria Stella	Dacasto Mauro		Giantin Mery	
15-16	Food toxicology and food regulation	Food toxicology and food regulation	Advanced technologies for the agrifood sector	Food toxicology and food regulation	
	Dacasto Mauro/Righettini Maria Stella	Dacasto Mauro	Vianello Fabio/Carletti Paolo	Giantin Mery/Righettini Maria Stella	
16-17			Advanced technologies for the agrifood sector		
			Vianello Fabio/Carletti Paolo		
17-18			Advanced technologies for the agrifood sector		
			Vianello Fabio/Carletti Paolo
