

VADEMECUM FINAL EXAM FOR MASTER DEGREE STUDENTS (New regulations)

- Thesis application must be submitted on Uniweb: **27/02/2023-09/05/2023**

STEP 1: Students must insert the **thesis title on Uniweb** and wait for the supervisor approval (the student is allowed to graduate only after the official approval is granted).

STEP 2: Once thesis title is approved, students must **complete the thesis application procedure on Uniweb**. A €16 pre-printed payment form (MAV) will be then issued on Uniweb. Student shall pay the aforementioned amount as soon as possible.

→ Please read carefully the GUIDE FOR THESIS APPLICATION available at <http://www.agrariamedicinaveterinaria.unipd.it/en/current-students/graduation>

TO MODIFY THE THESIS TITLE, the supervisor must send a request to consequimentotitolo.studenti@unipd.it

- The School office requests the Co-supervisor's name to the Supervisor: **15/05/2023**
- The Supervisor requests the potential reviser to the President of the Degree Course **by 09/06/2023**
- The Supervisor sends a copy of the thesis to the President of the Degree Course (to be delivered to the reviser) **by 16/06/2023**
- Deadline for registration of all credits on Uniweb: **30/06/2023**

Student must upload the thesis on Uniweb ("personal area" > "diploma attainment" section)
DEADLINE: 10/07/2023 (at 11.59pm)

More info at

<http://www.agrariamedicinaveterinaria.unipd.it/en/current-students/graduation/final-dissertation-2nd-cycle-degree-courses-held-english>
