Forest Sciences Survey on students' satisfaction

Help us improving teaching quality at Unipd

Marco Carrer
Settimana Miglioramento della Didattica - 2025-2026
Legnaro, 29th October, 2025

Agenda for today

11.00 - 11.20 Marco Carrer

Presentation of past results of survey on students' satisfaction of courses

11.20 - 11.40 All

Open discussion: what works and what does not work in Forest Sciences: organisation, modes of teaching, meeting students' expectations, student's satisfaction

11.40 – 12.00 Erica Tonello, Ilaria Baliello and Francesca Apolloni

Presentation of Transfor-M call (to first year Forest Sciences students only) and Erasmus+ and other mobility opportunities

Why Unipd implements surveys on students' satisfaction?

· Express their satisfaction on teaching activities

Analyse results and take corrective actions when needed

Increases the quality of teaching and improves its educational offer

Online questionnaire in Uniweb

When does it have to be completed?

From 20 days before the end of the official class period to the end of the first exams session after classes

Opening Date

First semester

1-Dec-2025

Second semester

4-May-2026

The questionnaire can be completed **only once for each teacher** and **only before the registration of the mark**. Compiling will become **mandatory when you book an exam**.

Online questionnaire in Uniweb

One for each course unit

(or for each teacher in each course unit)

Global satisfaction	How much are you satisfied with the development of the course on the whole? $% \label{eq:course_eq} % \label{eq:course_eq}$
Organizational aspects	At the beginning of the course the aims and the contents were clearly presented?
	The examination procedures were clearly defined?
	Were the schedules of teaching activities respected?
	Was the recommended course material appropriate?
Efficacy of the educational activity	Did the teacher encouraged/motivated the interest in the subject? Was the teacher available for clarifications and explanations?
	Were workshops, tutorials and seminars, if provided in
	teaching, useful for learning the subject?
Contents and syllabus	Was the course conducted consistently with what declared on the website?
	Was the course conducted consistently with what declared on the website? Regardless of how the course was conducted, did you find

How are data processed?

- Mean and median for each question
- · Summary with 2 indicators

 Benchmark with same indicators for degree course, School and whole UniPD

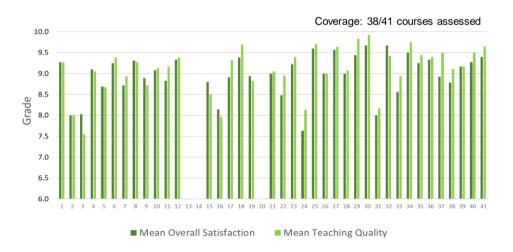

How was it over time?

Università degli Studi di Padova

Forest Science indicators 2024-2025

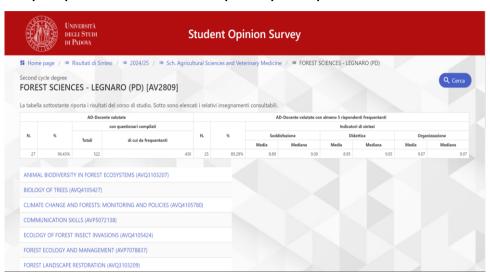

Mean teaching quality: 9.1

Mean overall satisfaction: 9.0

Forest Sciences indicators 2024-2025

Forest Science indicators 2024-2025

Comparison in the last 8 years (overall satisfaction)

Benchmarking with AMV School and Unipd

Overall :	satisfaction	Teaching quality
Forest Sciences	9.0	9.1
AMV School	8.0	8.1
Unipd	8.0	8.0
Biotechnologies for Food Science	8.0	8.1
Food & Health	8.2	8.3
Italian Food & Wine	8.4	8.4
Sustainable Agriculture	8.2	8.3
Scienze Forestali e Ambientali	7.9	8.0

And now the floor is yours.....

A 2-year course-based Master programme involving

- 2 Canadian Universities
 - University of British Columbia
 - University of Alberta

and 6 European Universities

- · University of Padova
- Boku-Wien, University of Eastern Finland, University of Freiburg, University of Bangor, SLU

leading to dual degrees in forestry and environmental management

- students attend one year at UniPD Forest Sciences (or at one of the other European universities)
- one year at a Canadian university of the consortium
- ✓ students get two master degrees from both Italy and Canada
- ✓ students pay tuition fees at their home institution, but...
- ... students get a scholarship from host institution (Padova)

Access requirements

Host University	Non-italian Bachelor degrees	Italian Bachelor degrees
University of Alberta	GPA of minumum 3.0 (B average)	weighted average of exams in the bachelor degree minimum 24/30
The University of British Columbia	A minimum overall average in the B+ range (76% at UBC) and with at least 12 credits of third-or fourth-year courses in the A grade range	weighted average of exams in the bachelor degree minimum 26/30

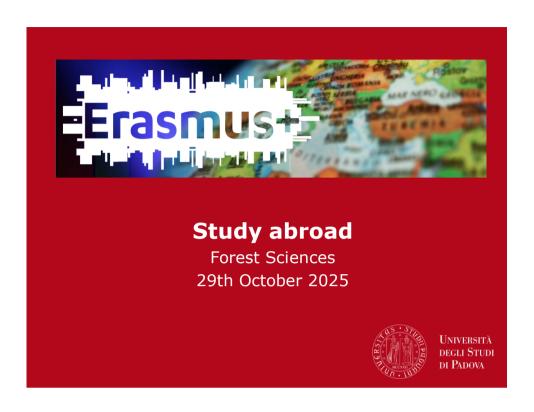

Call for applications

- Will be published soon at : http://www.tesaf.unipd.it/transfor-m
- Deadline for applications 19th December, 2025
- Interview 8th January, 2026
 - 100 points per candidate are assigned based on :
 - Bachelor degree: average grades and graduation grade/GPA: max 30 points
 - Curriculum vitae: max 25 points
 - Cover letter: max 15 points
 - Interview: max 30 points

Erasmus+
- Mobility for Studies -

- Erasmus+ for **Studies/SEMP**:
 - \rightarrow Exams or thesis work
 - → 2 12 months in Europe/ Switzerland or outside Europe

https://www.unipd.it/erasmus-studio

Calls for a.y. 2026/2027 around 20 November 2025

Follow the information meetings (online)

18 Nov. 1 PM: Mobility Opportunities

27 Nov. 1 PM: How to choose the Erasmus destination

11 Dec. 1 PM: How to apply for Erasmus

Destinations

- A Wien
- CH Bern, Zuerich → SEMP
- CZ Praga, Brno
- D Dresden, Freiburg, Goettingen, Muenchen
- DK Copenhagen
- E Huelva, Lleida, Madrid, Valencia, Valladolid
- F Nancy/ Montpellier
- HR Zagreb
- LT Kaunas
- N Elverum
- NL Wageningen
- P Lisboa
- PL Poznan, Cracow
- · S Uppsala, Campus Umea/ Alnarp
- SL Liubliana
- SF Kuopio (Joensuu)

Call Ulisse outside Europe

Bilateral agreements of the dipartment

- University of British Columbia (Canada)
- University of Sydney (Australia)
- Queensland University of Technology (Australia)
- Universidad Austral de Chile (Chile)
- China University of Geosciences (China)
- ...
